

LES CELLIERS DU DOMAINE

In the heart of Bouzy, a Grand Cru village from the Champagne region, Domaine Paul Clouet proposes its function room **Les Celliers du Domaine**, which can accommodate about 70-80 persons.

It's a perfect place for private events such as tastings, birthdays, banquets but also for business purposes as conferences and seminars in an original location.

The room is equipped with all modern facilities and also a kitchen where outside caterers from the region have their habits.

Domaine Paul Clouet supplies his own champagnes, otherwise a corkage fee would be asked. We also propose «a la carte» events.

All formulas are possible according to your wishes!
